§23-315.

- (a) This section applies only in Prince George's County.
- (b) Except as provided in subsection (c) of this section, the Commission may provide sanitary sewer service in drainage areas that are tributary to county-approved trunk sewers and county-approved pumping stations outside of the county-approved service areas.
- (c) Property to which sanitary sewer service is provided under this section shall be developed in accordance with a master plan adopted by the Maryland-National Capital Park and Planning Commission and approved by the County Council of Prince George's County after submission to the County Executive of Prince George's County for review.
- (d) Notwithstanding subsection (c) of this section, the Commission may provide sanitary sewer service to existing structures located in the drainage areas described in subsection (b) of this section.
